GREENCASTLE, INDIANA, WEDNESDAY, JANUARY 6, 1965

UNITED PRESS INTERNATIONAL SERVICE NO. 62

Mrs. Sally Sunkel Named Chairman For Heart Sunday

Mrs. Sally Sunkel has been named Heart Sunday Chairman for 1965. She will coordinate the February 21 canvass which is the high point of the yearly Heart Fund drive.

The announcement was made today by joint chairmen, Mrs. Russell J. Humbert and Norman Donelson.

At the same time, it was announced that Dr. B. B. Knapp has been added to those who will work with the county township committee.

Mrs. Sunkel, who came to Greencastle from Coatesville, has been active in local philanthropies and civic programs since her marriage to Dick Sunkel, an associate of Horace Link and Company, and himself a civic minded young man. They have two sons.

"There are so many volunteers giving their time and strength on behalf of this worthy heart fund drive," said Mrs. Sunkel, "I feel that I, too, should do what I can to help."

According to County Heart Association president, Miss Carrie Pierce, the Indiana and American Heart Association have put a combined total of \$149,285 at work fighting the state's heart and circulatory disease problem.

Of this amount, \$1,992.86 was raised through efforts of the local organization during its drive for research funds last February in conjunction with the annual national campaign.

Twenty-one Hoosier scientists were supported in their research by the allocation of \$94,450 from the state association. This work is being conducted at various sites including the Veterans Administration Hospital, Marion County General Hospital, Krannert Heart Research Institute, Indiana University Medical Center, Central State Hospital, all located in Indianapolis, and at the University of Notre Dame, South Bend.

In addition to the Indiana research outlay, the national research program awarded five grants in aid totalling \$54,835. These grants will support research being conducted at the I. U. Medical Center and Purdue University, Lafayette. This means that even the small share of funds which Indiana allocates to the national Heart Association is largely returned in the form of grants.

The Indiana Heart Association campaign last February for research, community service, and information program netted \$500,831.99. Of this amount, \$119,592.78 was allocated to the American Heart Association for national research usage. The Hoosier state, this year as in the past, was highly included in the national reallocation.

Nationally, the combined American Heart Association—affiliate research expenditure is cresting at nearly \$10 million the largest sum for cardiovascular research outside the government program.

Killed By Train
EAST CHICAGO UPI — Francisco Diaz, 60, East Chicago, was killed early today when a Pennsylvania Railroad freight train hit him as he walked on the tracks. The engineer told authorities he saw Diaz too late to stop the train.

City firemen made a run to the home of Mr. and Mrs. Ronald Parent to extinguish a small roof fire caused by burning soot.

Mr. and Mrs. Glenn Lyon received word from their son, Keith, that he was in a British hospital recovering from an attack of trench feet.

Pravda Assails Johnson's Speech

MOSCOW UPI — The Soviet Union charged today that President Johnson's State of the Union message while urging peace with Russia, advocates "military adventure" elsewhere in the world.

The newspaper Pravda, official organ of the Soviet Communist party, said Johnson's stand on the war in South Viet Nam, "arouses serious alarm."

Johnson's speech, Pravda said, demonstrated the "contrary motivations" typical of "imperialist countries" and their "ruling circles."

"On the one hand, one can find in this message assurances of the fact the United States is looking for peaceful, mutual understanding with the Soviet Union," Pravda said.

"On the other hand, contrary motivations clearly sounded in the President's message: Reluctance to give up the methods of military adventure and direct intervention in the affairs of other countries... barely concealed claims for special rights of the U. S. A. throughout the world."

"Johnson's statement that the U. S. A. would continue the aggression in South Viet Nam, wage a bloody war against the liberation movement of her people, arouses serious alarm," the newspaper said.

No Feud With Hartke Says Bayh

WASHINGTON UPI — Sen. Birch Bayh, D-Ind., says he is not feuding with his state's senior Democratic senator, Vance Hartke.

Bayh told a news conference here Tuesday that he first learned of the supposed rift between him and Hartke through an item in a national magazine Newsweek.

The magazine reported that coolness between the two senators was holding up patronage appointments and that state party leaders were concerned by the "feud."

Bayh conceded that "on one or two appointments, Senator Hartke and I don't see eye to eye" but denied that this could be defined as a rift.

The two on which they are divided are the recent opening for state director of the Small Business Administration and the vacancy in the post of deputy regional director of the Post Office Department at Cincinnati, Bayh said.

However, he said, the Civil Service Commission has not yet qualified any candidate for the SBA post. When this is done, Bayh said, he and Hartke may find themselves in agreement.

Six Prisoners Are Commended

ROME, Ga. UPI — Six prisoners on a work detail who helped their stricken guard rather than attempt an escape have been commended for their actions.

Warden C. M. Caldwell of the Floyd County public works camp said Tuesday he had written a letter to the Board of Corrections and the state Pardon and Parole Board naming the six prisoners and praising their action.

The six were working in a rural country area when their lone guard, Ray Shell, 61, was stricken with a heart attack. The prisoners put him in a truck, rushing him to a nearby farmhouse and called an ambulance.

While one of the prisoners accompanied Shell in the ambulance, the others got in the truck and drove back to camp.

Shell died on route to the hospital. But Shell's widow told the warden her husband carried a considerable sum of money on him when he died and that it was still in his pockets when he arrived at the hospital.

O.E.S. Notice
Roachdale O.E.S. No. 247, will hold stated meeting Monday evening, Jan. 11, at 7:30. Visiting members welcome. Betty Ford, Sec'y.

Choir To Perform

WASHINGTON UPI — The 300-voice Mormon Tabernacle Choir and opera star Leontyne Price will perform at President Johnson's inauguration Jan. 20. The Inaugural Committee said Tuesday that Chief Justice Earl Warren will administer the oath to Johnson and House Speaker John W. McCormack will swear in Vice President-elect Hubert H. Humphrey.

Comedian Ill

WOODLAND HILLS, Calif. UPI — Comedian Bud Abbott, 66, was "progressing favorably" today in the Motion Picture County Home and Hospital, attendants reported. The actor and partner of the late Lou Costello, has been undergoing treatment for a stroke since Dec. 16. Abbott has been semi-retired in recent years. He and his wife live in nearby Encino.

Hope To Avoid Dock Walkout

GALVESTON, Tex. UPI — Shippers and longshoremen's union went back to the bargaining table today. They were encouraged by what a federal mediator called a productive session Tuesday, raising hopes a Maine-to-Mexico dock strike scheduled for next Monday can be avoided.

David Stowe, a top Labor Department peacemaker, said the shippers and the International Longshoremen's Association (ILA) showed "an excellent attitude" at Tuesday's meeting, the first since shippers broke off talks last Thursday.

The shippers said at that time they would not negotiate because the union was refusing to do night work or to honor all calls for crew changes. The union countered that its members could work as they please, since they have had no contract since Sept. 20. The ILA added that the holidays contributed to the absenteeism.

But this week, although night crews were still not reporting, the day situation was better. Stowe noted a "vast improvement" to normalcy in the number of longshoremen reporting at Houston and in Galveston.

Ex-Gov. Stratton Goes On Trial

CHICAGO UPI — A jury of six men and six women was expected to hear first witnesses today in the \$46,000 income tax evasion trial of former Illinois Gov. William G. Stratton.

The speed of the jury selection surprised courtroom observers. It was completed Tuesday on the second day of the trial in less than four hours.

U. S. District Court Judge Hubert L. Will said the trial might extend into February.

A grand jury last April indicted Stratton on four counts of tax evasion. The government charged Stratton had income of \$179,635 during his final four years in office, 1957-60, but reported income of only \$86,099.

3 More Killed In State Traffic

Accidents Tuesday raised Indiana's traffic fatality toll for 1965 to at least 19, compared with 15 a year ago.

Gerald Sam Williams, 18, Indianapolis, was killed Tuesday night on a Shelby County blacktop road north of Boggs town when a car in which he was riding with two other teenage boys careened off a curve and struck a tree. Michael Bellany, 18, Indianapolis, the driver, and David Johnson, 18, Indianapolis, were injured and taken to Major Hospital in Shelbyville.

Mrs. Myrtle Hoffman, 43, R. 2, Decatur, died Tuesday at Lutheran Hospital in Fort Wayne from injuries suffered New Year's Day in a two-car collision at a Fort Wayne street intersection. She was on her way to work at that hospital when the accident happened.

Mrs. Hoffman's death raised the New Year's weekend toll in Indiana to at least 19.

Burl Salyer, 47, Hamlet, was killed Tuesday night when his car went out of control on Indiana 10 near North Judson and collided with another car. The occupants of the second car, Donald Melcher, 48, Wheatfield, and Douglas Graves, 47, North Judson, were injured.

Store Ripped By Furnace Blast

MICHIGAN CITY, Ind. UPI — A furnace explosion caused when air vents were sealed off ripped through a Robert Hall clothing store today.

There were no injuries but police said considerable damage was done to the store's heating system and to one wall of the building. A hole large enough for a man to crawl through resulted from the blast.

Investigators said the explosion occurred when air vents of the store's gas furnace were sealed off with mud.

House Passage Of Medicare Bill Appears Certain

WASHINGTON UPI — The drive for a medicare bill rolled on today in the new Congress, with indications that it may have picked up enough momentum to knock down the last major obstacle.

House Democrats forced a change Tuesday in the political alignment of the Ways & Means Committee which should give them two more committee votes for the health care bill this year.

The committee has killed similar proposals in the past. The new lineup appeared to clinch the possibility of early enactment of health care legislation which has been before Congress in one form or another for 15 years.

The program, backed by President Johnson, would provide hospitalization and nursing home care for the aged. It would be paid for by increasing present Social Security taxes. However, Contributions would go to a special health care fund apart from the regular Social Security funds.

The latest development which boosted the morale of medicare backers was announced Tuesday by speaker John W. McCormack, D-Mass., after a meeting with House Republican Leader Gerald R. Ford, Mich. McCormack said that Democrats with a House majority of 295 to 140, decided to change the committee representation from last year's 3-to-2 ratio to reflect the new 2-to-1 division.

This means that the Ways & Means Committee will have 17 Democrats and 8 Republicans instead of the previous 15 and 10. The two new Democratic members are expected to be medicare supporters. And the bill lost last year in committee by only one vote.

WASHINGTON UPI — The Republican - Southern Democratic coalition in the House apparently is back in business at the same old stand. It may not be as successful as in the past, but it still can make its presence felt.

The coalition once ruled the roost in Congress, possessing enough conservative votes from both parties to stop most liberal legislation. Since 1961, the coalition has been beaten a number of times, but only after the White House went all out to split away some of the border-line Southern Democrats.

The House vote Monday on rules changes designed to smooth the way for Johnson's "Great Society" program made clear that the coalition still has teeth. The liberal-backed rules changes passed 224-201, but it was Republican votes that put them over.

Reds Infiltrate South Viet Nam

SAIGON UPI — Communist North Viet Nam is infiltrating political commissars into South Viet Nam to insure its domination of the so-called "National Liberation Front," Vietnamese sources said today.

They predicted that the agents from the Red North would organize a "brutally swift" purge of non-Communist Nationalist supporters of the political branch of the Communist underground, if the Reds came to power.

The sources cited the "bloody suppression" of Nationalists in North Viet Nam after the country was partitioned in 1954 as a sample of what fellow-travelers in the South might expect.

They said North Vietnamese agents in the 16,000 villages of South Viet Nam are keeping tabs on nationalists who might cause trouble for a future Communist state with the idea of "liquidating" them if the Reds seize power.

Joint Session

WASHINGTON UPI A joint session of Congress meets today to give "sufficient declaration" to what everyone already knows — the winners of the 1964 presidential election. The meeting of the House and Senate was the second in three days. The first was to hear President Johnson's State of the Union message Monday night.

British Expert Plays
Two Suits For Trick

By Alfred Sheinwold
National Men's Team Champion
Kenneth Konstam holds the record for playing in the European Championships, having played for Great Britain twelve times. One of the reasons he has been picked so often is made clear in a hand played last year in a match between Britain and France.

Opening lead — ♠ 4

The contract and the opening lead were the same at both tables. At the first table, the French declarer decided to try for a ninth trick in hearts. When his king of hearts lost to the ace, the defenders got three spades and two hearts, defeating the contract.

Konstam saw no hurry in trying for a heart trick. He won the first trick in dummy with the jack of spades and led a low club from dummy.

There was a chance that

West would have to win the trick. If so, South would be able to try for his ninth trick in clubs without having to risk a heart play. At worst, declarer would eventually have to try for a heart trick.

FIRST CHANCE FAILS

Konstam's first chance failed when East showed up with the queen of clubs. There was still an excellent chance that East would return a spade, his partner's suit. If so, South would have nine tricks without ever risking a heart play.

The second chance failed also, for East shifted to the jack of hearts. Konstam was still full of resources. He played a low heart, seeing that he could play the king of hearts on the second round of the suit if necessary.

West had to overtake with the queen of hearts, and now the contract was home. Konstam had nine sure tricks as soon as he could knock out the ace of spades. The defenders could get, at most, two hearts, one spade and one club.

Both declarers would have made three notrump if East had held the ace of hearts. Konstam got a free ride by trying for a club trick first.

DAILY QUESTION

As dealer, you hold: Spade J 8 5, Heart 6 5, Diamond A 9 8 3, Club A K 6 4. What do you say?

Answer: Bid one club. You would open with one diamond if you had five diamonds and five clubs, since then you would intend to bid both suits. In this case you do not intend to treat the hand as a two-suiter, so you bid the stronger suit.

Kristie Ray Bride Of Donald Hopkins

Mr. and Mrs. James Ray of Stilesville announce the marriage of their daughter, Kristie to Donald Hopkins, son of Mr. and Mrs. Wayne Hopkins of Greencastle. The couple was married Sunday, December 27 at Harmony with Rev. Boyll performing the ceremony. They

were attended by Mr. and Mrs. Irvin Huber. After a wedding trip to New Orleans, Mr. and Mrs. Hopkins will be at home at 314 E. Hanna, Greencastle.

ANNIVERSARIES

Wedding

Mr. and Mrs. Robert W. Aubrey, East Hanna Street, three years today, Jan. 6th.

Card Of Thanks

I would like to take this opportunity to thank the person or persons that took part in making a wonderful Christmas for our patients at the Craver Nursing Home.

We would like to thank Santa Claus for coming to visit each one. The Reverend James Palmer and the Reverend Paul Byrns for their words of inspiration.

Thanks to the Greencastle Fire Department, all the clubs, church organizations, schools, patients' families and any other group that participated in any way.

May you all have a very Happy New Year.

Mrs. Hannah Craver.

Airman Held For Abduction

PERU, Ind. UPI—Airman 3C Donald Leon Peterson, 21, of Bunker Hill Air Force Base, was charged with assault and battery and malicious trespass Tuesday in the abduction of a housewife from a coin laundry.

Mrs. Kren Barnhill, 26, Walton, told authorities she left the laundry and got in her car when a man brandishing a kitchen knife broke out a window of the vehicle and forced his way in Monday.

Mrs. Barnhill said she was forced to drive four miles into the country where the man made advances which she resisted. She said he then told her he was having domestic difficulties and "need someone to talk to." She said he gave her his father's address in Nebraska so she could contact him to pay for the damage to the car window.

When police arrested Peterson on the strength of information Mrs. Barnhill had given, the airman told them "I figured if I committed a minor crime I would be locked up before I hurt anyone else."

Palestine News

Bill Terrell and family, Mrs. Mary Buckles, all of near Mooresville, Jack Sutherland and family of Brazil, Mr. and Mrs. Gerald Ray Beck and son, Mr. and Mrs. Gene Beck and son, spent last Sunday with Mr. and Mrs. Clarence Beck.

Bible Thought

We brought nothing into this world, and it is certain we can carry nothing out. 1 Timothy 6:7.

Man needs to learn the true value and purpose of material things that they be not emphasized to the detriment of his eternal well being.

Personal And Local News

The Woman's Study Club will meet Friday with Mrs. Ray Herbert at 2:00 p.m.

A daughter was born Tuesday at the Putnam County Hospital to Mr. and Mrs. Lilburn Park, Ladoga, Route 1.

Mr. and Mrs. Fremont Power and son, Mike, of Indianapolis, visited Mrs. Power's mother, Mrs. Minta Snider, on Monday. The Century Club will meet Friday at 2:00 p.m. with Mrs. William McK. Wright. Mrs. C. M. Schauwecker will have the program.

The Better Homes Home Demonstration Club will meet with Wanda Wall, January 11 at 7:30. Please bring your club dues.

Mr. and Mrs. Paul Patterson, 401 West Liberty Street, are the parents of a son born Tuesday at the Putnam County Hospital.

Mr. and Mrs. Harvey Burkett and son Jonathan have returned to their home in Sanford, Fla., after spending the past week with his parents, Mr. and Mrs. Howard Burkett. Another son, David, has returned to the College of Wooster in Ohio after spending the holidays with his parents.

Christmas week-end guests of Mr. and Mrs. Glen R. Casida of Cloverdale, were PFC Michael D. Casida, from Marine Corps Base, Camp Lejeune, North Carolina, and PFC David V. Gonzales of the same Marine Base, whose home is in San Antonio. Mrs. Lelia Collin and children, Mark and Janie, of Memphis, Tenn., were also guests in the Casida home.

Christmas evening dinner guests of Mr. and Mrs. Renos McKamey and children of Cloverdale were the honored guests, PFC Michael D. Casida and PFC David Gonzales of Marine Corps Base, Camp Lejeune, North Carolina. Other guests present were Mrs. McKamey's parents, Mr. and Mrs. Glen R. Casida and daughters, Sheila, Alicia and Martha. Mrs. McKamey's maternal grandfather, Emil E. Ogles of Eminence, Mrs. Lelia Collin and children, Mark and Janice of Memphis, Tenn.; Bill Chew of Indianapolis; Jack Yanhston and Tom Winings of Cloverdale. This group found in its midst four generations, Emil E. Ogles, Mrs. Glen Casida, Mrs. Renos McKamey and daughter, Lisa Ann.

What is the most important thing she has learned thus far?

"How to defrost a dinner," the dazzling blonde reports.

Elke's command of English has improved spectacularly in the past year. Her mastery of the language, plus a natural ebullience and charm, soon will allow her to play American girls on screen.

Hospital Notes

Dismissed Tuesday: David Duggan, Arlene Schroer, Judy Pease, Greencastle; Sally Miller, Glenna Grindol, Roachdale; James Bales, Bainbridge; Mae Scobee, Putnamville; Mrs. Robert Skaggs and son, Stilesville.

Putnam Court Notes

Carolyn Jean Alexander vs. David Leon Alexander, suit for divorce and custody of two minor children.

James T. Elwell vs. Judy Lynn Elwell, suit for divorce and custody of two minor children.

Lyon & Boyd are the attorneys for the plaintiffs in both cases.

Coat Tale For Spring Is 'Skinny'

NEW YORK UPI—The coat tale for spring rides in on a simple message—skinny.

"All pure shape, neat of shoulder with long skinny sleeves, narrow body lines, subtly cut and detailed to emphasize the lean look," is the way one coat manufacturer summarizes the spring trend.

The firm, Originals of New York, is pretty representative of what the whole industry is doing. Coats button in both double or single-breasted closings, come with neat, small collars or no collars at all, and if belted, usually have the belts slung low around the hips. A few coats are belted at the back only, but the belts are placed low. A few also have unpneared pleats falling from the low belting.

These slim numbers are the types of coats almost always seen on Mrs. John F. Kennedy, whose style influence continues to be strong. Her love of the sleeveless look, for instance, should be watched for not only in day dress this spring but in costumes too.

To help keep the coat silhouette slim, designers have used smooth fabrics more often than bulky ones—among them gabardines, whipcords, thin flannels, silk and worsted combinations.

Dominance of the skinny coat was a major trend showing in the new ready-to-wear collections from members of the New York couture group, which this week is staging its 44th semi-annual "National Press Week" for 250 reporters on newspapers, television and radio. Early next week, the American designers group will hold its formal shows for many of the same reporters.

Another big trend for spring will be the costume. It will be in dresses and jackets, dresses and coats and suits, in prints, plaids, combinations of silks and wools, and in everything from the most tailored of day clothes to the most fabulous sweep of formals.

Typical for day is Maurice Rentner's suit plus coat costume. A bright red and white checked suit is topped with a solid navy reversible coat. The other side repeats the red and white check.

German Beauty Is Wife, Actress

HOLLYWOOD UPI—There's a transformation taking place in the life of a sexy German import that could well be titled the Americanization of Elke.

Elke Sommer, Hollywood's brightest discovery of the past year, has moved to Southern California, married an American writer and is quickly learning the intricacies of being an American hausfrau.

What is the most important thing she has learned thus far?

"How to defrost a dinner," the dazzling blonde reports.

Elke's command of English has improved spectacularly in the past year. Her mastery of the language, plus a natural ebullience and charm, soon will allow her to play American girls on screen.

At the moment she is co-starring with Glenn Ford in "The Money Trap." It's all glamor, fuss and feathers. But in her Benedict Canyon home she is Mrs. Joe Hyams, housewife.

"It's not easy to be a wife and a movie star," she observed. "I'm a good cook, but fortunately I have help in the house because it is too much to work all day at the studio and then prepare dinner when I get home. The important thing for me to remember is to be a good wife instead of a good housekeeper."

"That means I probably will feed my husband less and love him more. I want to be a companion, not a hausfrau."

Message Mentioned Pollution In The Air

NEW YORK UPI — The men who make the nation's millions of automobiles and the mechanics who keep them in shape may find a clue to some of their future activities in a brief sentence in President Johnson's State of the Union message, taken in conjunction with a separate report to Congress.

The President, in proposals on a national agenda, suggested the nation work to end the poisoning "of the air we breathe." On the same day he delivered his message to Congress, the Department of Health, Education and Welfare reported that air pollution, or smog, is a growing problem "and is attributable largely to the operation of the motor vehicle."

It blamed traffic conditions in major cities for a share of the problem, because engines idling in creeping traffic emit

more pollutants. It called for the development of control devices to reduce exhaust hydrocarbons and carbon monoxide. It said additional research was necessary, and vehicle inspection programs "to insure appropriate control systems."

Automobile manufacturers already are moving to meet the problem. In 1963, some began installing devices to route unburned gases from exhaust systems back into the engine to be burned. Other devices are undergoing tests.

California among the states has moved the fastest to meet the traffic smog problem, but there has been dissatisfaction with some installations and with the repair and maintenance work required on some of the systems used on the cars of the state's motorists.

WON'T TELL WHY—Harrison Crouse, 18, who admitted shooting to death his father, mother and 16-year-old sister in Wilmette, Ill., sits saturday in court in Chicago, giving no reason for the fatal rifle shootings.

HAD AN UNSANCTIONED WALK—Little Lloyd Harris, 2, looks pretty serious in Minneapolis, Minn., his hands all bundled up with frostbite after he was found walking outside in 5-below cold wearing only pajamas. He awoke during the night and got restless, it seems. Comforting him is his mother, Mrs. Sid Harris.

ONLY A SMALL PART OF THE WRECK—This car left the highway in La Porte, Tex., and traveled a 500-foot path of destruction. It went through one building, crashed through the wall of a hangar at La Porte Municipal Airport, destroyed four airplanes and damaged seven others. Mrs. Betty Jean Crawford, 23, burned to death. Her husband Paul suffered burns but was thrown free of the car.

"MISSISSIPPI DELEGATION"—Robert Lloyd of the American Nazi Party is hustled from the Capitol in Washington after rushing onto the House floor shouting, "Ize de Mississippi delegation." It was a gesture against efforts of the Mississippi Freedom Democratic Party—Negro—to prevent seating of the state's five congressmen.

"MOST WANTED" — John William Clouser is added to the FBI's list of "Ten Most Wanted" fugitives, specifically on charge of transporting a stolen car between Georgia and Alabama following escape from a Florida mental hospital April 4, 1964. He is 5-feet-9, weighs 175-200, has blond hair, blue eyes, ruddy complexion. Clouser has a panther tattooed on his right shoulder and a heart on his left. He is 32.

Carey Discusses Business Outlook

PITTSBURGH UPI — President Johnson sees eye-to-eye with the business community on many questions, including excise taxes, economy in government, private investment and stable prices.

That's the judgment of Walter F. Carey, president of the U. S. Chamber of Commerce.

In a speech prepared for delivery before a meeting of the Greater Pittsburgh Chamber of Commerce today he predicted that in the months ahead there may be "much closer relations between government and business."

The chamber president said he had received a letter from Johnson assuring him that there was "wide area of agreement" between the administration and the chamber. Quoting from Johnson's letter Carey said agreement extends to such matters as:

- "The need for a comprehensive review of excise taxation.
- "The importance of government efficiency and cost reduction for all federal programs.
- "The key role of investment in our economic performance.
- "The significance of responsible private wage and price decisions for maintaining price stability."

By WILLIAM RITT
Central Press Writer

THE U.S. granted nearly 55,000 patents last year, it has just been revealed. This definitely shows how wrong is that old adage that there's "nothing new under the sun."

Incidentally, it cost the taxpayers \$27 million to run the Patent Office. Now, if someone could only invent a way to save all that dough!

A Wisconsin bank, we read, honored a check chiseled on a slab of granite. Hard cash?

The ostrich can run faster than 60 miles an hour—Factographs. With a foot speed like

that no wonder it doesn't bother to learn to fly.

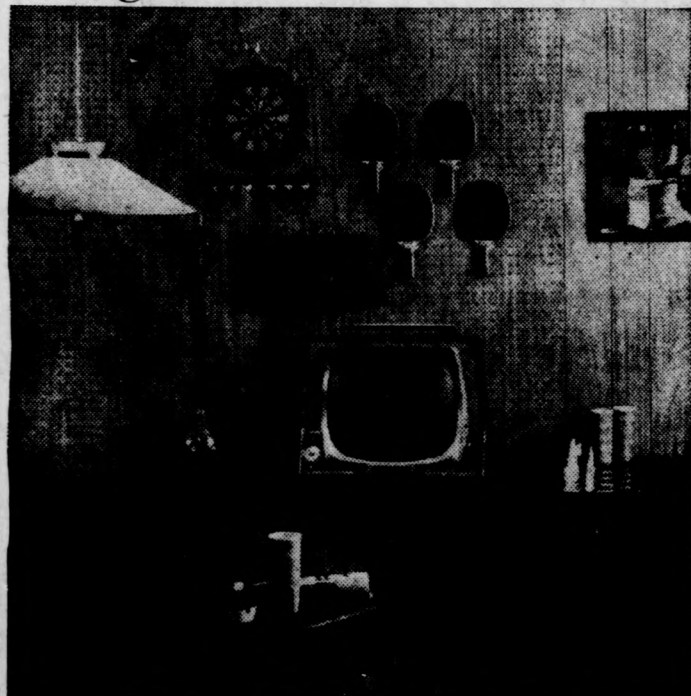

An aspirin manufacturing firm announces it has just produced its 100 billionth tablet. Just thinking about that figure gives us a headache.

Ny Dag, a Swedish Communist newspaper, switches from a daily to a weekly. Must be running in the Red.

The Census Bureau reports that the U.S. population jumped 2,700,000 to a total of 193,500,000 in the last 12 months. We thought last Thursday night was a lot noisier than New Year's Eve a year ago!

Brothers Will Have Reunion

FORT WAYNE, UPI — Lauren J. Harris, Fort Wayne, was making plans today for a reunion with a younger brother he has not seen since he was a day old 23 years ago.

Harris said he made contact with his brother, Noel, now known as William Mosman, through a letter to the editor of

a newspaper at Coeur D'Alene, Idaho, where the Harris family once lived.

Harris, 32 and the oldest of four children, said the family broke up shortly after Noel was born on Christmas Eve in 1941. He said he saw his younger brother only once when he was a day old.

He said that when the family broke up, Noel was adopted and given the name William Mosman. He said the younger brother learned of his adoption

when he was 10 but did not learn his real identity.

Harris said friends of his brother at Coeur D'Alene saw the letter to the editor and forwarded it to him at Tacoma, Wash., where he now lives with his wife and 3-month-old son.

Harris said his brother telephoned his Saturday and they confirmed the identification.

"I was so nervous and excited, I called him back twice," Harris said.

Harris, an oil company employee here, said he and his brother will get together within a few months but that they have not yet made definite plans.

John, of Sanford, Florida visited Mr. and Mrs. Z. B. Burkett during the holidays.

Mrs. Walter Hutcheson near Reelsville, called on Mrs. Russell O'Haver Sunday afternoon. Mr. and Mrs. Noel Nicholson spent New Year's Day with Mrs. Nicholson's mother, Mrs. W. S. Lawter of Russellville.

Mr. and Mrs. Kenneth Jansen of Aurora, Ohio, were overnight guests last Tuesday night of Mr. and Mrs. Wayne Bettis.

Recent visitors of Mr. and Mrs. Phillip Goode were Mr. and Mrs. David Thomas, Saturday evening and Mr. and Mrs. Sunday evening.

Michael O'Hair of Purdue spent the holidays with his parents, Mr. and Mrs. Gale O'Hair and family.

Mrs. Russell O'Haver received word of the death of Mrs. Olive Dawson of Santa Clara, California. She and her family at one time were residents of Morton.

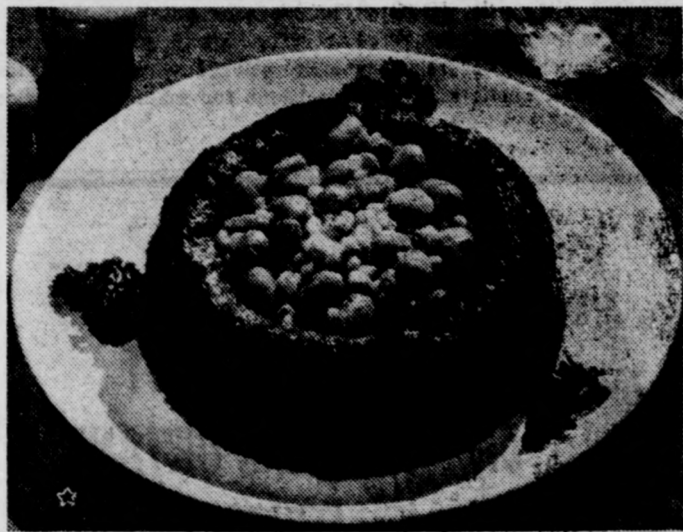

Her husband, the Reverend Frank Dawson was pastor of Union Chapel Church at the time they resided in Morton. The Reverend Dawson lived and grew up in Bainbridge.

Viet Nam, acquired two ceramic elephants nearly two feet tall and weighing nearly 50 pounds each.

Bradt wanted to ship them home, so he tied a tag around their necks and sent them parcel post with no padding or

packaging and no insurance. The delicate elephants arrived undamaged in Indianapolis Monday, and U. S. Customs officials said they had only 125 miles to go before reaching their destination.

Ring in Thrifty Meat Loaf

Like to serve meat and vegetables on one picture-pretty platter? Bake meat loaf in a ring mold and serve centered with succotash. This meat mixture contains carrots for texture interest.

Morton News

Reverend and Mrs. Lloyd Pelfrey and daughter of Mobley Mo., and A. C. Pelfrey were guests of Mr. and Mrs. Fred Thompson on New Year's Day.

Mr. and Mrs. Dick Thompson entertained with a quail and pheasant dinner on December 28 for the Thompson family.

Harvey Burkett, wife and son

Dr. Coleman

Q. What is the name of this cut of meat?
A. Beef short ribs.

Q. Where do they come from? How are they identified?
A. They come from the ends of the ribs. They can be identified by their square look and the alternating layers of fat and lean of which they are composed.

Q. How are they prepared?
A. By braising. This means browning them on all sides in their own fat. Cover and cook slowly 1 hour. Pour off the drippings. Season with salt and pepper and other seasonings, if desired. Add a small amount of water or other liquid. Cover tightly and continue cooking until tender, approximately 1 hour.

Q. What other foods can be cooked with short ribs?
A. Many foods harmonize with this beef cut. Vegetables like carrots, green beans, potatoes and onion are very popular. Dried fruits may be cooked with them, and so may dumplings. A barbecue or spicy tomato sauce adds zippy flavor to beef short ribs.

Speaking of YOUR HEALTH!

By LESTER L. COLEMAN, M.D.

State Of Mind Helps Cardiacs

ONE moment a driving, forceful personality, the next a sick, weak invalid. This is the simple saga of the sudden, involuntary admission into the not-so-exclusive Coronary Club.

More and more new members are drafted from every social and economic group in today's cholesterol-packed, hectic, anxiety-producing way of life.

In a single instant there is an explosive upheaval that undermines the total life pattern of an individual and all of those close to him.

Suddenly the tireless "tycoon" who "could not possibly spare a moment to relax" finds himself hospitalized for six full weeks of strict bed rest with no smoking, no telephones, no visitors. To his astonishment, the office miraculously continues to function without his "indispensable" presence.

Blocked Blood Vessel

A coronary attack, heart attack, or, technically, a myocardial infarction, are essentially the same. They mean that a blood vessel which brings nourishment to the heart muscle has been blocked by disease.

That part of the heart muscle deprived of its blood supply is for the time being "knocked out of commission."

Complete rest then becomes imperative so that the remaining healthy part of the heart muscle can continue its uninterrupted beat until the whole heart once again returns to health.

State Of Disbelief

At first the coronary patient is overwhelmed in utter disbelief that this stunning disaster could have struck him. Apprehension and anxiety about himself, his family and his job is the immediate reaction of the stricken patient.

Soon both pain and anxiety

are alleviated by intensive medical care and constant reassurance from the physician.

At first it is difficult for a patient to adjust to the restrictions and total dependence on nurses and family, which are necessary to ensure complete rest.

Even in the very early stages of recovery, the process of physical and emotional rehabilitation must begin, if the patient is to be returned to society as a serviceable human being, unshackled by the fear of being a chronic cardiac invalid.

Shattering Experience

A heart attack is a shattering emotional experience which deserves sympathetic understanding, combined with emphatic reassurance that "once a coronary, always a coronary" is false, and a misconception.

The recuperating coronary patient must be freed of the fear that all future physical or emotional disturbances may cause another attack.

The mature "recovered coronary" is usually able to resume a productive, active life, within sensible limits.

"Coronary Cripples"

Unfortunately, many patients recover physically, but remain "coronary cripples" because of unfounded, unreasonable fears.

The coronary experience has been called by some "a blessing in disguise." In many cases, it may actually prolong life by providing a valuable warning and forcing the realization that the psyche and the soma—the mind and the body—have rights as well as responsibilities, and must be indulged with reasonable periods of rest and relaxation to function at full capacity.

These columns are designed to relieve your fears about health through a better understanding of your mind and body.

All the hopeful new advances in medicine reported here are known to doctors everywhere.

Your individual medical problems should be handled by your own doctor. He knows you best.

Expect More Red Assaults

KUALA LUMPUR, Malaysia UPI—Military officials expect stepped-up Indonesian guerrilla attacks against Malaysian Borneo, informed sources said today.

They said increased activity was expected along the border of Sarawak, which covers the southwest tip of Malaysian Borneo and is considered the best entry point from Indonesia. Malaysia and Indonesia share the island of Borneo.

The city of Kuching, the capital of Sarawak, is only 35 miles from the Indonesia frontier.

How to keep a resolution to save money this year

Put your will power to work on other resolutions. All you need to save money is the Payroll Savings Plan.

You just tell your employer you want him to keep back a small amount from each paycheck and put it towards the purchase of U.S. Savings Bonds. Then sit back and watch as the Bonds roll in.

The beauty of the Plan is that you aren't so apt to miss the money

you're saving when you never see it in the first place.

Millions of Americans save big money this way, so you know it works. Their dollars are a big help to Uncle Sam, too.

Get started while your resolve is still bright and shiny. Next year at this time you'll have a nice nest egg and one less resolution to worry about.

Buy U.S. Savings Bonds

STAR-SPANGLED SAVINGS PLAN FOR ALL AMERICANS

The U.S. Government does not pay for this advertisement. It is presented as a public service in cooperation with the Treasury Department and The Advertising Council.

SED-3503-B

Bite-sized ribboned butter-scootch squares are made from a mix, except for the meltaway topping. Prepare and bake 1 box of chocolate chip butter-scootch brownie mix as label directs, but reserve enclosed packet of chocolate chips for glaze. Frost the cooled cake with a topping made by blending 1/4 cup of butter with 1 table-spoon of milk or cream, 2 cups of sifted confectioners'

sugar and 1 teaspoon of vanilla. Chill. Drizzle with sauce made by melting chocolate chips with 1 tablespoon of butter. When set, cut into 1-inch squares. Makes 64.

NOTICE TO BIDDERS

Notice is hereby given that the Board of Works and Safety of the City of Greencastle, Indiana, will receive bids for the purchase of a Sewer Rodder for the department of Sewer Disposal. Specifications therefore now on file in the office of the Clerk-Treasurer of the City of Greencastle, Indiana.

Bids must be properly and completely executed with a non-collusion affidavit as required by law and upon forms prescribed by the State Board of Accounts.

All bids must be accompanied by a bid bond or certified check in an amount equal to ten percent of the total bid payable to the City of Greencastle, Indiana.

Bids will be received at the office of the Clerk-Treasurer of the City of Greencastle, Indiana, until the hour of 7 o'clock, Monday, January 18, 1965.

The Board of Works and Safety reserves the right to reject any and all bids.

WITNESS my hand and the seal of the City of Greencastle, Indiana, this 28th day of December, 1964.

Raymond S. Fisher
Mayor of the City of Greencastle,
Indiana.

Percy Comments

NEW YORK UPI — Charles H. Percy said Tuesday night that Republican National Chairman Dean Burch was in "an untenable position." Percy said he hoped Burch would search his conscience to find a good replacement for himself as party chief.

Percy, a defeated Republican candidate for governor of Illinois, made his statement on a nationally televised network show.

Many New Cars

DETROIT UPI — More than eight million new cars were sold in the United States last year, the first time the milestone has been reached.

Ward's Report said 7,614,000 domestic-made and 486,000 imports were sold last year to push combined sales to 8.1 million units.

The statistical agency said the 7,614,000 domestic-make sales topped by 2.8 per cent the 1955 record of 7,480,000 cars. The figure was 3.8 per cent above the 7,334,260 American cars sold in 1962.

Acquires Star

TUCSON, Ariz. UPI — The Tucson Daily Citizen acquired the Arizona Daily Star Tuesday despite an unsuccessful attempt 24 hours earlier by the Justice Department to block the sale.

U. S. Dist. Judge James Walsh Monday denied the Justice Department a temporary restraining order against the sale, but permitted filing of a civil anti-trust suit, to be heard at a date to be set later.

The Justice Department claimed that the two newspapers engaged in a conspiracy through formation of Tucson Newspapers Inc. (TNI) to restrain and monopolize the daily newspaper field here.

Pays Back Visit

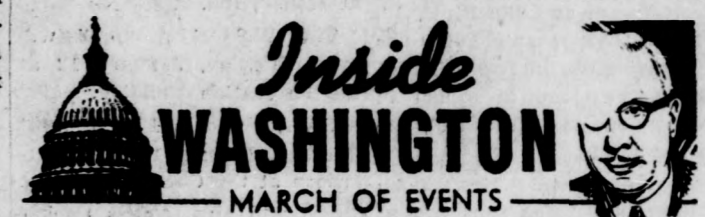

WASHINGTON UPI — Sen. Edward M. Kennedy, D-Mass., called on President Johnson at the White House Tuesday to return a visit the Chief Executive paid him at a Boston hospital in September.

Kennedy, the youngest brother of the late President, walked with the aid of a cane.

Plan To Wed

LOS ANGELES UPI — Actress Annette Funicello of "Mousketeer," fame and her agent, Jack L. Gilardi, plan to be married Saturday night in St. Cyril's Roman Catholic Church.

Miss Funicello, 22, and Gilardi, 34, applied Tuesday for a marriage license. She said she has known him since she was 12 and a "Mousketeer," that he became her agent two years ago, and they have been engaged about six months.

Inside WASHINGTON
MARCH OF EVENTS

SI INAUGURATION COMFY (FOR HIM) HE'LL SEE PARADE FROM HEATED 'BOX'

By HENRY CATHCART
Central Press Washington Writer

WASHINGTON—Come Inauguration Day, Jan. 20, don't feel sorry for President and Mrs. Johnson as they appear in the reviewing stand in front of the White House for hours on end watching the parade.

Unlike some previous occasions when presidents and first ladies have braved the wintry blasts to honor the paraders and the states they represent, the Johnsons will do their chore in unprecedented comfort.

The pavilion will have wall-to-wall carpeting (blue), it will be enclosed by glass panels, and heated by 10 infra-red units. The comfort of the first family will be reinforced with safety features, too.

The 10-foot glass panel directly in front of the President will be bulletproof, a feature that is being employed for the first time in the history of inauguration.

The cost of the pavilion for the President, and stands for television and the press will run to \$246,000, including the cost for removal, which will take place as soon as possible after the parade is concluded.

COOKIE KEEPSAKES? — At a party given recently by President Johnson and the First Lady for children of news correspondents, youngsters were taken into the presence of a Christmas tree adorned with lots of gingerbread men.

One of the guests commented to Mrs. Johnson that with all the children present the tree probably would be missing some of the baked goodies. She replied that the kids should choose carefully because only half were edible, the others being ceramic likenesses.

Later on, one of the reporters sauntered over to the tree to find out how the kids had been making their selections. It appeared to him that the ceramic likenesses were as popular with the kids as the genuine gingerbread men.

He did a little more reporting and found that, in fact, the popularity of the item rested mainly with the mothers of the children. They thought it would be nicer to have a ceramic souvenir of the occasion than the genuine article that undoubtedly would disappear in a trice.

GARBING IT UP—In these days of keen competition and constant news deadlines, most reporters are in fear of what can happen to their stories when they're dictated into the office over the telephone, instead of written out like in the good old days.

The latest misunderstanding involves the respected Paris newspaper Le Monde. Its correspondent was dictating a news story against his paper's deadline involving the new foreign secretary of the British Labour government, Patrick Gordon Walker.

The name appeared in print as "Patrick Goldwater." As is usual in such cases, the erroneous was just about at the opposite end of the political spectrum from that of the British official.

Have An Entry?

National Chicken Cooking Contest
Open To Children And To Adults

By JOAN O'SULLIVAN

Hey, kids, like to cook? Then try cooking chicken. Maybe you can whip up a dish that will take a prize when the National Chicken Cooking Contest is held this June in Salisbury, Maryland, in the heart of Delmarva chicken country.

The whole family can enter because, in addition to the

junior competition (ages 8 through 17), there's a senior contest as well as portable appliance and barbecue divisions.

Write Now!

Interested? Then waste no time in writing to the National Chicken Cooking Contest, G. P. O. Box 2715, New York, N. Y. 10001, for an entry blank. The deadline is

February 15, 1965.

Prizes include trips to Europe and the Bahamas, a \$1,000 shopping spree at a nationally-famed store plus a \$1,000 electronic range, appliances and other awards.

As a long-time judge of Junior entries at this annual contest, I can predict that competition will be keen, for kids are creative cooks.

Memorable Winners

One especially good winning recipe I remember for a Sputnik Chicken was created by Jacqueline Wertsch of Oshkosh, Wisconsin. Her trick — mixing pancake flour with corn flakes — made a smooth breading that gave her chicken real taste-appeal.

Also memorable was Canton-Easy Chicken cooked by Moreen Gail Ivce of Chicago, Illinois, who used her noodle (egg noodles, too) to make a soy-sauce-flavored Oriental casserole.

To give you an idea of what goes into a winning dish, here are these two recipes.

SPUTNIK CHICKEN

2 sticks margarine or butter
2 fryers (2-2 1/2 lbs.) quartered
1 egg, slightly beaten
1 tsp. milk
1 c. crushed corn flakes plus 2 tsp. pancake flour
1 tsp. salt
1/2 tsp. paprika
1/4 tsp. pepper
4 baking potatoes, wrapped in foil
Melt margarine in roaster in

oven at 375° F.

Cut fryer into quarters.

Wash, dry on paper towels.

Mix egg and milk. Dip chicken in mixture. Roll in corn-flake-pancake flour mixture.

Place in melted margarine in roaster. Sprinkle with salt, paprika and pepper. Put baking potatoes in pan.

Cover and bake at 350° F. for one hour, turning once so chicken browns on both sides.

Reduce heat to 325° F. and cook 30 minutes longer.

Arrange chicken on platter with foil-wrapped potatoes. Insert toothpicks in potatoes to give them a sputnik look. Garnish with parsley.

Serves 6.

CANTON-EASY CHICKEN

3 tbsp. vegetable oil

6 oz. fine egg noodles

4 chicken breasts, split in half

1 env. dry onion soup mix, dissolve in 1 c. water

1 (6-oz.) can water chestnuts with liquid

2 tbsp. soy sauce

1 (10. oz.) pkg. frozen green peas

Heat vegetable oil in large casserole. Add noodles, moving them around in oil with wooden spoon until they are golden brown, about 5 min.

Place chicken breasts in casserole over noodles. Pour onion soup over chicken. Add liquid from water chestnuts and soy sauce.

Bake one hour at 350° F. Add thawed green peas and sliced water chestnuts. Bake another 10 minutes.

Serves 6.

FILLMORE NEWS

News of former pastors of the Fillmore Methodist Church.

Reverend and Mrs. Walter Boigegrain and three children are serving a church at Lakewood, Colo.

Reverend and Mrs. Robert Crocker are at Lake Bluff, Ill. Five of their seven children are in Universities in five different states. Two are in school in Illinois, one in high school, one in 3rd grade.

Reverend and Mrs. John Cowan and three sons are at St. Paul, Minn.

Reverend and Mrs. Thomas Flight and three children are at South Bend, Ind.

Reverend and Mrs. Robert Newton and children are living in their home in Greencastle, on Arlington St.

Reverend and Mrs. Harry Allemong and new daughter are at Monon, Ind.

The W.S.C.S. group 2 will meet Tuesday, January 12 at the Recreation Building.

C.W.F. Group 1 will meet Tuesday, January 12 in the afternoon at the Christian church.

Mr. and Mrs. Arless Decker and Mrs. Daisy Youngerman of

Indianapolis spent Saturday with Mr. and Mrs. Cleo Shuck.

Mrs. Elizabeth Dunlavy returned home from the Putnam County Hospital, December 30.

Last week visitors of Mrs. Ida and Charles Day were, Mr. and Mrs. Arthur Masten, Mr. and Mrs. Donald Day of Columbus, Ohio, and Reverend and Mrs. Wilbur Day of Knights-town.

Reverend and Mrs. Wilbur Day and Mrs. Ida Day spent New Year's day in Greencastle with Mrs. Ethel Britton and Miss Ella Coffman.

Mrs. Ethel Coffman and son Edwin and Mr. and Mrs. Marvin Jackson and family spent Christmas Eve with Mr. and

Mrs. Harold Jackson and sons in Brownsburg.

Mr. and Mrs. Ren Meek and Mr. and Mrs. Ronald Meek spent Christmas Day with Mrs. Bela Rolling at Clay City.

Mr. and Mrs. Frank Ogles of Otterbein and Mr. and Mrs. Max West and family were Christmas Eve supper guests of Mr. and Mrs. Arthur Lisby.

Mr. and Mrs. Harold Jackson and family were Christmas dinner guests of Mr. and Mrs. Oran Buis.

Sunday dinner guests of Mr. and Mrs. Oran Buis were Mrs. Ada Slavens, Mr. and Mrs. Cecil Newman and son, Dale.

Mr. and Mrs. Oran Buis spent Monday in Brownsburg

with the Harold Jackson family.

Mrs. Lella Herman spent Tuesday with Mrs. Charles Smith.

Miss Kate Oliver spent Christmas Day with Mr. and Mrs. Harold Pruitt.

Mr. and Mrs. Almon Buis, Mr. and Mrs. Oran Buis and Mr. and Mrs. Hugh Hammond spent New Year's Day in Indianapolis. Other guests were Mr. and Mrs. Berl Buis of Marion, Mr. and Mrs. James Hash of Indianapolis.

Gordon and Norman Lewis visited their grandparents, Mr. and Mrs. Charles Smith, Thursday afternoon. Gordon is to enroll at Michigan State Univer-

sity of Colo., January 4.

Last week visitors of Mr. and Mrs. Lee Wells were, Mrs. Ruby Robinson, Mr. and Mrs. Jesse Evans and Mrs. Sylvia Nichols and daughter, Laura.

The Fillmore Garden Club will meet Friday, January 8 with Mrs. Hulda Wright. Mrs. Ethel Byrd is co-hostess.

Mr. and Mrs. Lloyd McGinnis spent Sunday in Crawfordsville with Mr. and Mrs. Larry McGinnis and daughter, Lisa.

A. L. Coleman left about two weeks ago for Springfield, Ill, to spend the winter.

BANNER ADS PAY

Discusses Arms To Congo Rebels

WASHINGTON UPI — Secretary of State Dean Rusk said Tuesday there was a "very good chance" that shipments of Communist arms to Congo rebels will soon be brought under control.

Rusk made the remark to reporters following a closed-door appearance before the Senate Foreign Relations Committee to brief senators on world problems.

Rusk emphasized that the discussion was the first of a series of meetings he will be

holding over the next 10 days or two weeks with House and Senate members.

The initial session with the Foreign Relations Committee touched importantly, too, on the conflict in South Viet Nam, where Rusk said "very far-reaching issues of policy and action" are now involved.

He declined, however, to go beyond President Johnson's State of the Union promise that he would "not break" the pledge of three U. S. administrations to help South Viet Nam against Communist aggression.

NAP CAN KILL

NEW YORK UPI — Walk, don't nap — after hearty meal. You might pay for the nap with a fatal heart attack warns a German Doctor.

Complete repose after a rich, hearty meal can set up an accumulation of fatty chyle—a fluid produced during digestion—in the thoracic duct, explains Dr. Gerhard Volkheimer, of Humboldt University Medical School. Upon awakening, any sudden movement may propel enough chyle into the blood stream to cause a fat embolism, blocking a vital artery. Dr. Volkheimer's theory was reported in Medical World News, a magazine for doctors.

Lanky Girl Is Being Shortened

OSWESTRY, England UPI—A 19-year-old girl whose height is being reduced surgically from 6 feet 7½ inches to 6 feet 1 inch has had four marriage proposals from tall young men, it was reported.

Ann Rowston has spent months in the Orthopedic Hospital here while doctors removed sections of bone from her legs to reduce her height. They plan similar operations to shorten her arms.

Miss Rowston has received

more than 200 letters from well-wishers, including the four marriage proposals, since newspapers began following her case.

Dies In Tub

FORT WAYNE, Ind. UPI — Miss Louise Schoppman, 80, was found dead in a bathtub Tuesday at the Allen County Home where she lived.

A coronor's report said death was from drowning and probably was an accident.

A nurse found Miss Schoppman in a tub with the water still running. Orderlies tried fruitlessly to revive her.

200,000th Patent

WASHINGTON UPI — The U. S. Patent Office issued the 200,000th "design patent."

A "dispensing container for tablets" became No. 200,000 in a 125-year-old line which includes — among other things — the Statue of Liberty, the Trylon and Perisphere from the 1939 New York World's Fair, the Blue Eagle of New Deal days, and the zip-top beer can.

Jack Williams and Howard Richards of Waukegan, Ill., designed the tablet dispenser. They received the patent in a brief ceremony at Patent Commissioner Edward J. Brenner's office.

Design patents protect products that are unique in shape or decoration but not in function.

Fight Shapes Up On Rule Change

WASHINGTON UPI — Sen. Richard B. Russell, D-Ga., predicted that a liberal-sparked fight over easing the Senate's filibuster rule could last several months.

Russell made the forecast after getting solid support from his Southern colleagues to fight, once more, any effort to

alter the cloture rule.

The Georgia senator, leader of the Southern bloc, declined to predict his group would wage a filibuster but said "it might take considerable discussion" before the Senate can resolve the dispute.

Becomes Student

ANN ARBOR, Mich. UPI — Mrs. Marie Oswald, the Russian-born wife of President Kennedy's assassin, began an eight-week cram course in English at the University of Michigan.

Mrs. Oswald, who has had no formal instruction in English, registered for the class Monday

The Daily Banner, Greencastle, Indiana
Wednesday, January 6, 1965

and took a two-hour test to determine her ability in English.

Youth Sentenced

FORT WAYNE, UPI — James D. Greene, 19, who hid in the organ loft of St. Patrick's Catholic Church for nearly a week after escaping from a courtroom during a burglary hearing, was sentenced to two one-year terms in different Indiana penal institutions.

Special Judge J. Byron Hayes in Allen Circuit Court sentenced Greene to a year in the reformatory on a first-degree burglary charge and a year on

the state farm for the escape.

Greene was caught in Chicago some time after he dashed away from authorities in the courtroom here and hid in the organ loft.

POISON OAK TOLL

SAN FRANCISCO (UPI) — The leading single cause of occupational diseases in California is poison oak, according to the State Division of Industrial Safety. An average of nearly 800 workers annually are disabled by contact with the plant or its smoke when burned.

Brazil Red Devils Tame Cub Net Tossers, 90-72

The Brazil Red Devils put the heat on the Greencastle Tiger Cubs as soon as the first buzzer sounded and refused to ease up as they soundly defeated the Cubs 90-72.

In the first quarter of action the Brazil squad put their 1-3-1 zone defense to work by forcing the cold Tiger Cubs to shoot from outside. The Cubs were unable to connect on their first six tries as the Red Devils seem unable to miss an attempt. The first period ended with the Cubs trailing 26-11.

Brazil's Dan Harris and Rick Archer controlled the boards on defense as well as offense in the first half of play. The Cubs were once again outdone as Blotch and Nanovsky failed to get rolling and the Brazil squad capitalized on their second and third shots.

After an official's technical foul call on Greencastle's mentor, McCracken, the Cubs came to life and started their first rally of the game. Play became fast and rugged and the Tiger Cubs threw their press at the Brazil squad. Jim Chadd dropped in a couple for the home cause and the Cubs cut the Brazil margin to eight, 29-21.

The Red Devils lost possession of the ball two times in a row as the Cubs capitalized in the scoring column once again cutting the Brazil margin, 33-27. Half time intermission caught the Cubs trailing 43-41.

In a hair-raising third period of action Tiger Cub forward Jim Chadd popped in a quick one and the game was tied for the first time 43-43. Brazil's Rich Rarden then matched shots with Chadd only to be equalled by Gerald York's twenty foot shot. With the score board reading 45-45 Ron Blotch tipped in a big one (after four tries each time getting his own rebound), and the Cubs grabbed their first lead of the tilt 47-45. Brazil's Rich Rarden and Mike Stallcop then caught fire for the Red Devil's and their coach signalled for the press. The Cubs committed five quick fouls and the Brazil squad took command for the remainder of the game. The Third period ended in favor of Brazil 67-56.

After a commanding performance by the Brazil team and the fouling out of a number of Greencastle players the tilt ended with the Cubs trailing 90-72.

Brazil is now undefeated in scheduled play while the Cubs have a 6 win 3 loss record. The Cubs are scheduled to meet the Cascade Cadets at Cascade Friday night.

Investigating Cause Of Crash

DAYTONA BEACH, Fla. UPI—Racing experts were investigating the cause today of a skidding crash which fatally injured Billy Wade, one of the nation's leading stock car drivers, during a test run.

The 34-year-old Wade, who was not thought seriously injured at first, died of apparent internal injuries a short time after he was lifted from the car Tuesday.

The Spartanburg, S. C., native was driving a 1964 Mercury in a tire test for Goodyear when the crack occurred at Daytona International Speedway. The car slammed into a wall on the west turn and spun several times before stopping.

"AND AWAY WE GO!"

Red Devil Steve Pollom (35) grabs the ball from the Tiger Cub backboard in the last half of the Tuesday night game as Cub Jim Covert's (23) futile attempt to rebound ends. Brazil rolled over the Cubs 90-72. Photo by Martin Kruse

Staunton Edges Out Cloverdale, 81 To 80

Cloverdale met foe Staunton on the Reelsville home front last night in a real thriller that was lost in the closing seconds of play 81-80.

The first three periods of play were evenly matched as the score fluctuated in both directions. Score at the close of the third period caught Staunton leading 65-61.

As the fourth period closed to the final seconds of play with Staunton leading 81-80. Cloverdale scoring ace Roy Sandy dribbled the length of the floor for a drive-in. Sandy

missed the shot but was fouled. The free throw attempts were missed and the Clovers dropped another one.

Hervey and Sandy paced the Clovers with 27 and 21 points respectively while Staunton had four men in double figures.

Opinion Divided Among Players

MOBILE, Ala. UPI—Opinion is divided among a number of top Senior Bowl players about controversy over the way professional football teams recruit college athletes.

One of the most outspoken is Lance Rentzel, the 6-foot-2, 220-pound halfback who gained nearly 500 yards during the regular season for Oklahoma.

Rentzel was one of four players prevented from playing in the Gator Bowl last weekend for the North.

Nowatzke booted only one field goal during the regular season but it was a 51-yarder. South Coach Tom Landry of the Dallas Cowboys chose Justin Canale of Mississippi State to handle placements.

All-Star Players Continue Practice

MOBILE, Ala. UPI—North and South all-stars continued twice-a-day workouts today getting in shape for Saturday's 16th annual Senior Bowl football game.

Kicking assignments for both teams were made Monday.

Fullback Tom Nowatzke of Indiana, a 6-foot-3, 228-pounder, was picked by Coach George Wilson to do the place kicking for the North.

Hicks Retains Scoring Lead

ROCHESTER, N. Y. UPI—Quebec's Wayne Hicks retains his scoring lead in the American Hockey League by only one point in statistics released today.

Hicks, who also led the league since the first week of the season, maintained his top post with 40 points, but Rochester's Pete Stenkowski, Pittsburgh's Ted Hampton and Buffalo's Art Stratton were challenging with 39 apiece through Sunday's games.

Roachdale Downs Waveland, 83-66

Roachdale secured their first Conference win last night by soundly defeating Waveland 83-66.

The Hawks grabbed a quick lead on the Waveland squad and refused to give it up as the game progressed.

Bullerick led the Waveland cause with 23 points while Snodgrass and Clones dropped in 29 and 25 points respectively for the victory cause.

Summaries:

Washington Runs To 8th Victory

INDIANAPOLIS UPI — Unbeaten Washington, idle since Dec. 18, returned to the Indiana high school basketball wars Tuesday night and ran its unbeaten string to eight games with an easy 91-45 victory over Petersburg.

The Hatchets' win kept the number of major unbeaten teams at an even half-dozen.

Once-beaten East Chicago Washington registered its eighth victory, downing Northwestern Conference foe Gary Wallace, 82-49, under the direction of acting coach Nick Sarengagh.

Sarengagh, assistant coach of the Senators since 1949, took over the team Tuesday when fiery head coach Johnny Baratto was hospitalized with a gall bladder attack. Baratto has been head coach for 21 years and coached the Senators to the state title in an upset of Muncie Central in 1960.

In a major upset Tuesday night, Jasper registered its first victory in 10 starts by edging Huntington, 61-58. It was Huntington's third loss in 11 games and snapped a six-game win streak for the Happy Hunters.

In another Southern Conference game, Evansville North edged city foe Memorial, 77-75. In non-conference action, Evansville Harrison trounced Winslow, 109-48, and Evansville Mater Dei downed Millersburg, 76-46.

Brazil, knocked out of the unbeaten ranks by a pair of losses last Saturday in a tournament at Goshen, bounced back Tuesday for a 90-72 Western Conference victory over Greencastle. In another WIC game, Terre Haute Schulte beat Honey Creek, 83-74.

Action was heavy in the Northwestern Conference in addition to the East Chicago Washington-Wallace game. Hammond dumped Gary Mann, 67-36; Hammond Clark handed Whiting its 10th straight defeat, 65-56; and Hammond Tech beat East Chicago Roosevelt, 67-62.

Breach Suit Apparently Reduced

CHICAGO UPI — Frank C. Lane's \$144,166.66 breach of contract suit against Charles O. Finley and his Kansas City Athletics apparently was reduced to one legal issue today and could be completed shortly.

Lane testified at length before Judge James B. Parsons in U. S. District Court Tuesday, and presented only one other witness, Bill Veeck, a former owner of three major league baseball teams.

But when testimony was ended and with the jury excluded, Judge Parsons declared that apparently "the only real legal problem is what happens on the next four years" of the eight year contract Lane charged Finley with breaking.

Lee Marching Through Dixie

By United Press International
Lee is marching through Dixie again.

Clyde Lee scored 41 points Tuesday night to lead Vanderbilt to a 97-79 triumph at Lexington over defending Southeastern Conference champion Kentucky. The victory was the second SEC win without a loss for the Commodores, who defeated conference foe Tennessee last Saturday, 77-72.

The 6-foot-9 pivotman's 41 points were the most ever recorded against the Kentuckians, which goes back a long way.

Vandy led 60-46 at the half but a torrid 60.7 per cent shooting mark after intermission enabled the Commodores to pull steadily away from the Wildcats.

May Join Jets Soon

NEW YORK UPI— It may be only a matter of time before Notre Dame quarterback John Huarte joins New York's Jet set.

The time may be as close as Saturday when the Jets hold a news conference that may produce the signing of Heisman Trophy winner Huarte as part of a \$700,000 rookie backfield. Huarte's estimated asking price is \$200,000, half the figure paid Alabama's Joe Namath after the Cotton Bowl game. An educated guess is that a third newcomer, Princeton's Cosmo Iacavassi, received about \$100,000 for joining the American Football League club.

Bright Pops In 35; Belle Union Secures Seventh Victory Of Season

The Belle Union Panthers, paced by big six-foot eight-inch Wayne Bright, who tossed in 14 field goals, 7 free throws and pulled off 38 rebounds, rolled over Cory last night in the Fillmore High School Gymnasium, 72-66.

Both teams were closely matched in shooting with Cory firing a 42.0 percentage from the field while the Panthers connected with 42.5 per cent of their shots.

Knust and Lawson paced the Cory cause with 24 and 18 points respectively while Bright and Goodpasture did it for Belle Union with 35 and 12 points.

Belle Union is scheduled to meet Reelsville on the Indian's home battle grounds Saturday night.

Fight Decision Handed Down

NEW YORK UPI — The New York State Athletic Commission has exercised its right as a non-member of the World Boxing Association in refusing to recognize the winner of the March 5 Ernie Terrell-Eddie Machen fight as the heavy-weight champion.

The fight in Chicago is billed as a title match by the World Boxing Association, to fill the vacancy created when it stripped Cassius Clay of his crown.

Tiger Wrestlers To Host Hanover

DePauw University's wrestlers, hoping to shove their season mark to 2-2, host Hanover College here tomorrow at 7 p. m. in Bowman Gymnasium.

After losing to Indiana Central, 16-14, and Miami University, 29-2, the Tiger matmen rolled over Millikin, 21-9, in their final pre-Christmas test.

Saturday Wabash College hosts DePauw, Wheaton, St. Joseph's and Valparaiso in a five-team invitational affair in Crawfordsville.

Rules Should Be Enacted

TAMPA, Fla. UPI — Owner Charles Bidwell Jr., of the St. Louis Football Cardinals, says that "rules with teeth" should be enacted to stop pro teams from raiding college squads before bowl games have been played.

He also proposed moving the player draft to the winter, after the Jan. 1 bowls.

Bidwell said Tuesday he thought colleges would probably initiate such action soon, in view of the raids which marred several bowl games this season.

More Protection From Pesticides Has Top Priority

WASHINGTON UPI — The Agriculture Department considers its regulations which provide greater protection for people from pesticides to be a highlight of 1964 regulatory and control work.

The department said other bright spots in progress in regulatory and control programs for 1964 include headway against animal diseases, increased meat inspection activity, and a new low-dosage technique for insect control.

The department boasted proudly that federal regulations for pesticides were strengthened to provide greater protection to consumers. The changes require that key warning and caution statements be displayed on the front panel of pesticide labels, restrict safety claim usage on labels, and require labels to bear government registration numbers.

The revised regulations also provide for submission of additional toxicity data on pesticides by manufacturers and strengthen safety requirements in tests of new compounds.

"Protest registration" has been eliminated. Heretofore, "protest registration" had been used by some manufacturers to sell pesticides after being refused Agriculture Department registration on them.

Using malathion, the department's Agricultural Research Service scientists developed a low-volume technique in plant pest control programs. The technique showed that the chemical was more effective at lower dosages when applied undiluted by water, oil, or other diluents. The low-volume technique cuts the amount of materials insecticide plus diluent needed to control boll weevils, grasshoppers and cereal leaf beetles.

SALE OF REAL ESTATE

The undersigned agent will offer for sale 240 acres formerly operated by the late Noble Allee in Jefferson Township, Putnam County, Indiana. Farm is 1 mile south of U. S. 40 at Mt. Meridian.

This is a highly productive, well kept farm with 178 acres available for cultivation. Fencing is good, 2 good wells, both with pressure systems, also running water in some fields.

Main dwelling is a solid, frame, 5 room house ideally located in a pine tree setting on blacktop road. Other buildings include a good barn and 3 room ten-ant house.

Bids will be accepted at the office of the Central National Bank of Greencastle until February 1, 1965

Terms of Sale: 10% down on day of sale and balance upon delivery of deed and abstract. Real estate to be sold clear of all liens, including taxes for 1964 payable in 1965.

Plenty Of Good Buys In Food

WASHINGTON UPI — Red meat buys are pushed a little into the background as this week's supplies of fresh fruits and vegetables roll into the markets.
Beef roast, lamb roast, and broiler-fryers are the top meat buys, with eggs, canned pink and chum salmon, fish sticks and fish portions filling out the

list of good protein buys.
Green beans, carrots, onions, potatoes, radishes, squash, sweet potatoes, and tomatoes are good vegetable purchases this weekend. Bananas and tangerines are good fruit buys.

Cabbage, lettuce, apples, grapefruit, and oranges are especially plentiful.

Getting Ready

WASHINGTON UPI — Mrs. Lyndon B. Johnson flew to New York Tuesday for some last-minute fittings on her inaugural wardrobe. The First Lady was accompanied by Mrs. Angier Biddle Duke, wife of the retiring chief of protocol. Mrs. Duke has been helping Mrs. Johnson select clothes for the inaugural week events.

Executive Dead

NEW YORK UPI — Ted Shelton, 53, president of the Shelton Color Co. of Hackensack, N. J., died Tuesday night.

Builder Dies

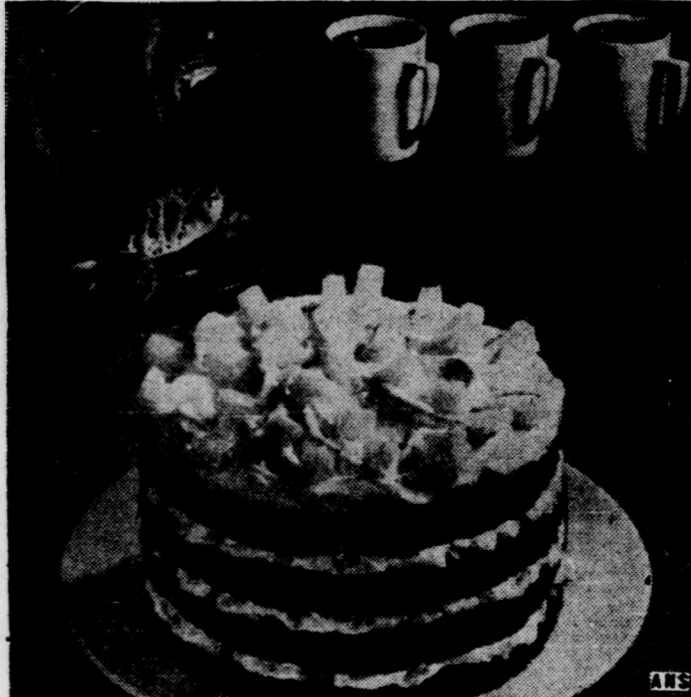

NEW ROCHELLE, N. Y. UPI — William H. Barnes Jr., 64, a long-time leader in the New York area construction industry, died Monday after a heart attack.

Funeral Pending

MADISON, Wis. UPI — Funeral arrangements were pending today for Mrs. Helen Wingert, 73, wife of a former Wisconsin justice. Mrs. Wingert died Monday.

Sweet And Easy Frosting

IF YOU BAKE FINE CAKES, yet have trouble with frostings, try today's recipe for a quick fluffy frosting that keeps a perfect consistency for spreading. The frosting made with Dream Whip Whipped Topping Mix is especially good for filling and topping a fancy torte, made by splitting two cake layers in half horizontally.

TROPICAL TORTE

- 1 can (8-3/4 oz.) crushed pineapple
- 1 envelope whipped topping mix
- 1 package (3-3/4 oz.) pineapple cream instant pudding
- 1 cup cold milk
- 2 baked 9-inch chocolate cake layers

Drain pineapple, measuring syrup; then add water to syrup to make 1/2 cup. Combine whipped topping mix, pudding, milk, and measured liquid in deep, narrow-bottom mixing bowl. Beat slowly until well blended. Gradually increase beating speed and beat until mixture will form soft peaks—4 to 6 minutes. Fold in pineapple. Split cake layers in half to make 4 layers. Spread pineapple filling between layers; then frost top. Garnish with additional pineapple, if desired.

A Simply Inspired Brew

SUGAR AND SPICE and everything nice goes into this Spiced Viennese Coffee. It's made with the regular grind decaffeinated coffee, brewed to such a richly satisfying taste and aroma that the most ardent bridge enthusiast will lay down a hand to pick up a cup of its steaming goodness. Jelly and cream cheese sandwiches are just the right accompaniment to this flavorful brew.

SPICED VIENNESE COFFEE

- 1/2 cups water
- 10 whole cloves
- 2 sticks (2 inches each) cinnamon
- 3/4 cup regular grind decaffeinated coffee
- 1/3 cup sugar
- Whipped cream
- Ground cinnamon

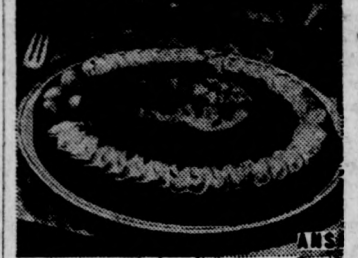

Place water and spices in base of 6-cup or larger percolator. Place coffee in basket and set in percolator. Heat until coffee begins to perk; then perk 8 minutes. Strain coffee into warmed serving pot. Add sugar, stirring until it is dissolved. Keep over low heat until ready to serve. Garnish each serving with whipped cream; then sprinkle with ground cinnamon. Makes 3-1/2 cups or 6 servings.

Contract Talks

PITTSBURGH UPI — The United Steelworkers Union (USW), in a precedent-making move, will engage in simultaneous contract talks with three major industries.

Already steeped in negotiations with the basic steel industry, the union plans to open

Planked Fish

SERVING a main dish on planks of oak, ash or hickory seems to whet the appetite. Your guests will love the look, and taste of this recipe.

BAKED FISH

- 3 lbs. sea bass, cod or flounder salt, paprika
- 1/2 cup butter
- 2 tbsp. A.I. Steak Sauce
- 1 tsp. lemon juice
- 4 cups mashed potatoes
- 8 oz. can string beans
- 3 oz. can baby onions
- 1 cup cooked sliced carrots
- 2 tbsp. minced parsley

Slit, clean, cut fish in 4 slices. Rub inside of each slice with salt, place each on individual heated buttered plank, skin side down. Sprinkle with salt, paprika. Melt butter, mix with A.I. Sauce and lemon juice. Brush each slice with mixture, bake in 400° oven 20 min., basting after 10 min. with butter sauce.

Remove planks from oven, arrange medallion border of mashed potatoes around edge of planks (with pastry bag). Place other vegetables inside border around fish. Return planks to oven for 10 min. until potatoes are brown and vegetables heated through. Sprinkle with remaining butter sauce, minced parsley. Serves 4.

THE PERFECT FIT of a Jump Suit is so important in creating a strictly feminine sensation. Here's a look that zips you to "front and center attention" at a moment's notice.

To make yours, use Vogue pattern No. 6376. To assure the fit, there's a 22" Talon Zephyr zipper down the front. Remember to press as you sew, and always use a presscloth over the nylon coil Zephyr.

Favorite Fashion Formula

Here's the favorite fashion formula of the modern woman on the go—versatility plus simplicity. And this dashing 3-piece costume by Forever Young has these ingredients plus additional frosting in the snappy matching band 'round the shell top. Tailored of creaseless loopy boucle along simple lines, this suit classic can be worn with carefree correctness all day long, anywhere you go.

bargaining talks with the aluminum and can manufacturing firms. The union represents about 500,000 workers in the basic steel industry, 55,000 in aluminum and 65,000 in can.

Evaluate Tests

HOLLYWOOD UPI — Doctors today were trying to fully evaluate tests given to actor Edmund Lowe, 72, famed for his dapper detective roles in movies during the 1930s and 1940s.

Lowe underwent extensive electrocardiograph tests and diagnosis Tuesday for a serious heart condition.

Rayburn Bust

WASHINGTON UPI — The stern visage of Sam Rayburn sculpted in bronze was unveiled today, gazing over the courtyard of one of the most expensive office buildings ever erected.

The late Texas congressman was a man of spare tastes. But the House office building which bears his name cost the taxpayers \$86 million. It has been praised by some but described by others as a hideous example of "architecture by committee."

Designed For The Neat Generation

The fashion "looks" that the younger set adores are especially smart in easy-care fabrics that contain "Dacron" polyester or "Orlon" acrylic. The jumper, now in many variations, is a big favorite. This version by Lortogs (left) is made in a sturdy poplin of "Dacron" and cotton, with brass buttons, lowered waistline, and pleats all around. The plaid shirt with "Tom Jones" ascot is in the same fiber blend.

A touch of Paris appears too in fashions for junior Americans, notably in translations of the French school-girl look. This charming dress with front pleating and St. Laurent collar (right), made in a supple crepe weave of "Orlon" and wool, is by Shephardess.
